

Standard Patterns

We want you to know Standard Patterns. We know that no other pattern is better cut, more reliable or easier to understand than Standard Patterns. We know that Standard Patterns are pretty, and chic, up-to-date, yet simple in construction. You will never be puzzled to know how to put a Standard Pattern together. Their system of seam allowances make it easy to adapt Standard Patterns to the different types of figures.

Another large crowd saw the second and closing entertainment by the Dope minstrels at the Barre opera house last night and gave unstinted approbation to the many features of the performance, the work of the soloists and the character singing by the "four Willies" being particularly enjoyable. The performances have been great successes. Supt. George S. Wright of the St. Albans schools and three members of the city's school building committee visited the Barre school buildings yesterday, after having inspected the school structures in Burlington and Montpelier, with a purpose to secure the best plans for a new building in St. Albans. The visitors were very much pleased with the architecture and arrangements of the Barre schoolhouses, especially of the Lincoln school on Camp street, which they said they considered ahead of anything they had yet seen.

CLOSING OUT SALE of Ladies' Regal Shoes

From our experience with Ladies' Regal Shoes we believe them to be one of the very best makes on the market to-day. They have a style that other shoes do not have, they fit the feet and give the wearer more comfort than usually enjoyed in the average shoe. They wear longer, and as for the merchant selling the Regal Shoe, he is bound to have less shoe troubles than though he sold any other make of shoe.

Here is our reason for closing them out. The Regal people are so busy with their own retail store that they do not find time to attend to our special orders. In fact, we are only able to buy six months ahead with a possibility then of only getting only a part of our order. We do not do business that way. When we have any line of goods that we cannot serve you well on we will drop it.

We took our loss on these goods in February when we took stock. We dropped \$500.00 (five hundred dollars) on our shoe stock then, took a loss from what they cost us so that you not only get all the profit but your share of that \$500.00.

Every pair of Regal Shoes in our store, a little less than 500 pairs, \$3.50 and \$4.00 shoes, not old styled, at the ridiculous price of \$2.00 per pair. This is less than you have ever seen a shoe of this quality sold for in a bankrupt sale.

Regal High Shoes \$3.50 and \$4.00 Grades

Regal High Shoes in tan calf, in vici kid, in patent leather button, in king calf, in patent leather lace, in low heel and high heel styles, with narrow, medium and wide toes. Nothing better for style and qualities on the market, to close out at only \$2.00 per pair.

High Shoes are worn the year around, styles don't change but very little. Buy two pairs, for when you can get two pairs for the price of one they are real bargains that you cannot afford to let go by. A day or two later won't do. We won't have the goods and you won't see these qualities at \$2.00 per pair very soon again.

Regal Low Shoes or Oxfords

In many lines of these Oxfords we have a full stock of all sizes which have been kept up and now you get the \$3.50 and \$4.00 kinds at \$2.00 per pair.

Regal Low Shoes in tan with narrow toes, with medium toes, with wide toes in lace and button.

Regal Low Shoes in black, king calf, black king kid, black vici kid, black patent leather in wide and medium toes.

Gray Ooze Leather, 2 eye tie, a \$4.00 shoe, now at \$2.00.

One lot of 2 eye Pumps in black and tan. These were \$3.50, now \$2.00.

TALK OF THE TOWN.

For the past few days Street Superintendent J. C. DeBrune has had a gang of fifteen men busily working to clear the streets of the ice, snow and dirt which have accumulated during the past five months of winter. The first sweeping of the season took place last week, but a heavy snow storm made it necessary to resume the work at once. The street superintendent says that work on the streets is commenced just a month later than in the spring of 1910. Last year the streets were swept for the first time on March 5, and by March 28 it was necessary to bring the sprinkler into play.

The members of Clan Gordon, No. 12, held a largely attended meeting last night and initiated three new members and received nine applications for membership. J. R. Kriek was elected unanimously as a delegate to represent Clan Gordon at the next Royal Clan convention, to be held in Boston next August, and Robert Gordon was the unanimous choice as alternate. Both of these men have represented their clan at Royal Clan conventions before. A social and dance was enjoyed by the clansmen and their ladies after the business, the dancing lasting until an early hour this morning. This may be the last of a series of dances enjoyed by the clansmen and their ladies until next fall, when they expect to have many such enjoyable evenings.

There will be a regular meeting of Barre aerie, No. 1573, F. O. E., Monday evening, April 10, at 7:30 o'clock in Foresters' hall. Initiation followed by a smoke talk after business.

SCHOOL SUITS

One Half Price

We want to again call your attention to those Boys' Suits we are offering for one-half price. The coat alone is worth more than we are asking for the suit. These Suits are excellent values, and will give the boy great wear. Original prices were from \$2 to \$7.50, which means that you can clothe the boy in a new Suit for \$1 to \$3.75. Sizes from 5 to 17 years. Call to-day.

4 of the 25 Hoosiers Are Taken

Only 21 more women can join the Hoosier Club and have one of these famous Hoosier Kitchen Cabinets delivered immediately at the Club rate of

One Dollar a Week

There isn't a housewife in Barre that wouldn't like to own one of these great labor-saving devices, because they reduce greatly the time spent in the kitchen

As one woman said, "Why it fairly seems to hand things to you just when you want them."

The Hoosier Kitchen Cabinet is a genuine automatic servant that works without wages. It saves hundreds of steps and many times its trifling cost.

So when we announced that we would start a Hoosier Club, thereby affording every housewife in Barre an opportunity to buy one of these famous cabinets at the club rate of One Dollar at the time of purchase and

ONE DOLLAR A WEEK FOR A FEW WEEKS

it was only natural that women should be eager to join the Hoosier club. Four entered their names to-day, the first day.

The Club Plan is simply this: Every woman upon entering her name and paying One Dollar is entitled to the immediate delivery of the Hoosier Special Cabinet, the balance to be paid in weekly dues of One Dollar each week for a few weeks.

The club should not be associated with the installment plan, as it is under the direct supervision of the Hoosier Manufacturing Company, largest manufacturers of Kitchen Cabinets in the world.

The Club is open to membership to-day and next week only, and is limited to 25 members. After next Saturday the regular price and usual rate of payment will prevail, so if you want to secure the cabinet at the club rate and save \$2.50 as well, you must join the Hoosier Club before it closes or the membership list is filled.

If you wish to know more about the Hoosier Cabinet or Club Plan, our demonstrator will give you all information. Come in and ask questions. You will not oblige yourself in any way whatever
